

In Thurrock there are a variety of groups and organisations that deliver services to residents in Thurrock ranging from the Council, Essex Police, Thames Gateway Development corporation, NHS SWE to Voluntary and Community based organisations such as the Citizens Advice Bureau. The Shaping Thurrock LSP is the place where these organisations come together to deliver these services in partnership to find more efficient ways of working. This partnership is made up from senior members of these groups and together they make the big strategic decisions about Thurrock. There are then delivery groups under this main board which are given specific tasks- these are shown below.

1

The Shaping Thurrock Partnership Board

3 Policy Group

2 Executive Group

4 Community Involvement Board

5 Sustainable Communities Board

6 Healthier Communities Programme Board

7 Thurrock Community Safety Partnership

8 The Children's Trust

These groups all have smaller sub groups to deliver specific parts of their work

The CIB represents the community and voluntary sector.. So get in touch

2 Executive Group- this group is made up of senior members of public sector agencies, this group meets to make key decisions about delivery of services.

3 Policy Group- this group meet to discuss long term strategic issues for Thurrock.

4 The Community Involvement Board- This group champions the voice of the voluntary community and faith sector and represents these groups across the whole partnership

5 The Sustainable Communities Board- this group focuses on the built environment, new houses, roads and the environment in addition to transport and the economy in Thurrock

6 Healthier Communities Programme Board- this group is made up to improve health and social care in Thurrock

7 The Thurrock Community Safety Partnership- This group is tasked with making Thurrock a safer place

8 Children's Trusts are local partnerships which bring together the organisations responsible for services for children, young people and families in a shared commitment to improving children's lives.
